

Privacy policy for online applications

Thank you for your interest in our online job advertisement. The protection of your personal data is very important to us. Therefore we inform you in the following about the collection, processing and use of your data in the context of the online application, in accordance with the relevant data protection regulations. Please read the following information and regulations carefully before submitting your data to us.

Data collection

As part of your online application, we will collect and process the following personal application data from you:

- Surname and first name
- Address
- Telephone number
- Email address
- Application documents (letter of application, curriculum vitae, certificates, etc.)

Purpose of data collection / dissemination

The collection and processing of your personal application data is carried out exclusively for the purpose of recruitment for positions within our institute. As a matter of principle, your data will only be forwarded to the internal positions and departments of our institute responsible for the specific application procedure.

Your application data will not be used or passed on to third parties beyond this.

Retention period of the application data

Your personal application data will be deleted at the latest six months after completion of the application procedure. This does not apply if statutory provisions prevent deletion or if further storage is necessary for the purpose of presenting evidence.

Right to information and revocation

If you have any questions about the collection, processing or use of your personal data or in cases of inquiry, correction or deletion of data or revocation of consents granted, please contact our data protection officer:
